QUE TAN LE
PRIMARY EXAMINER

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The title of the invention has been changed to: --Back-illuminated image device having signal charges suppressing region--.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach a back-illuminated image sensor, among other features, comprising: a converting portion, for converting incident light into signal charges, being provided on an incident face side for each of a plurality of pixels arranged in two dimensions; a charge collecting portion, for collecting signal charges, extending from the converting portion to a surface side opposite to the incident face side; a charge processing portion, for processing the collected signal charges, provided on the surface side; and a suppressing region provided between the converting portion and the charge processing portion for suppressing a flow of signal charges from the converting portion into the charge processing portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

I) Izumi et al 6,665,374 disclose an image sensing system including an insulation layer.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Que T. Le whose telephone number is (571) 272-2438.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Epps Georgia, can be reached on (571) 272-2328. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
